STEP 2: ACCESS TO UPTODATE DATABASE BY CLICKING ON THE UPTODATE LOGO:

The screenshot shows the website of the Arabian Gulf University Library & Learning Resource Center. At the top left is the university's logo. To its right, the text reads "Arabian Gulf University Library & Learning Resource Center". Further right, there are language options for "العربية" and "English", and a user profile for "Khalifa Bushlaibi | sign out". Below this is a dark green navigation bar with menu items: "About Us", "Search", "A-Z List", "Trials", "My Library", "Library Collection", "Library Reservation", and "Library Admin". Below the navigation bar is a banner area with a search bar containing the text "Text here to search" and a magnifying glass icon. The banner also features a "Quick Review Pharmacy" advertisement and a "Colloidal" advertisement. Below the banner, the "Uptodate" logo is prominently displayed and circled in blue. The text below the logo reads: "Uptodate is an evidence-based, physician-authored clinical decision support resource which clinicians trust to make the right point-of-care decisions. UpToDate helps clinicians answer their clinical questions quickly and easy, improve patient care and increase their clinical knowledge. What differentiates UpToDate from other clinical knowledge systems is our rigorous editorial process, our world-renowned physician contributors and a wide range of access options including our mobile apps."

STEP 3: CLICK ON REGISTER AND FILL THE FORM:
